water contamination.

ANTI DUMPING: Publicity generated as the new ordinance was under consideration educated the public that illegal dumping is a problem and several people provided positive input.

ENFORCEMENT: New Solid Waste Ordinance clearly defines illegal dumping and sets penalties for violators. For the first time warning letters (32) were sent out and summons (14) were issued for illegal dumps and junk accumulations. These actions resulted in weekly letters to the editor, packed monthly meetings of fiscal court and drew significant attendance at the monthly solid waste meetings. All of these activities were well reported in the local newspaper.

SITING: Since a new siting ordinance was enacted the public hearings and meetings received much coverage by Lancaster and Danville newspapers.
